Hi Iliana,

I am preparing to finalize an enforcement action with the Greater New Haven Water Pollution Control Authority and I would like to see their latest bypass reports. I have your database through mid-July, but I would appreciate if you could send me the database since July 1, 2014, for the following municipalities:

- New Haven
- Woodbridge
- Hamden
- East Haven

If you haven't had time to enter bypass reports since the last batch you sent me, that's fine, just please let me know so I can request records from the Authority.

Thank you!

Jack
